

Exhibit B. June 23, 2016 BlackBerry Messenger Exchange

Line	Time	Sender	Translated Message
1.	15:42:48	CC-8	Have you received one “palo” for deposit, Cuas? Have you seen those, Cuas? They are 300.
2.	15:44:39	CC-8	
3.	16:07:44	CC-9	My client still has me waiting, Cuas. Cuas, look I haven't, but they do look good.
4.	16:07:44	CC-8	Yes, Cuas, they are giving me of those 3000. They are there in SPS already. Cuas, and one “palo” there, do you have it? So that I can do that at SPS, myself?
5.	16:29:03	CC-9	Yes, Cuas, be patient please. You know that it hasn't ever occurred before.
6.	16:29:03	CC-8	Yes Cuas, never. Cuas, when would there be something to deposit, more or less? So that I can talk with him, and I'm not bothering you. Because I feel bad bothering you, since you are always very punctual to pay me.
7.	16:29:03	CC-9	If I give you an exact day, I would be lying to you, Cuas. It's just that these people don't tell me. When I least expect it, they are asking me numbers. What I promise you is that the first one that they give me, it will be for you.
8.	16:29:03	CC-8	Yes, Cuas, help me out with that. As soon as you have something, send it to me.
9.	16:39:48	CC-9	Yes, Cuas, count on that.
10.	16:39:48	CC-8	So I won't take those 300, right Cuas?
11.	16:39:48	CC-9	Right now, I would like to pay you before I get committed with more, Cuas.
12.	18:22:46	CC-8	One question, so to not lie to this guy.
13.	18:22:46	CC-9	Yes?
14.	18:22:46	CC-8	He is asking me to ask you how many more days they have to wait. So that I don't bother you and I don't lie to him.
15.	18:22:46	CC-9	Well, look the people don't tell me an exact day because they don't even like to say when the transportation leaves. Look what they tell me: “No buddy, there is not movement, but this week it will get started to move if everything is all right, God willing.”
16.	18:22:46	CC-8	Yes, of course, Cuas. I understand that.
17.	18:22:46	CC-9	If it was my deal, you know that we tell the truth between both of us.
18.	18:22:46	CC-8	Look what the dude tells me. And what you tell me, I tell him, since we have never made them wait like this. But we have to wait, Cuas, there isn't another option.
19.	18:22:46	CC-9	Yes, Cuas, I also understand him. Yes, Cuas, we don't have any other option. But we'll be done with this soon, God willing.

1.	18:22:46	CC-8	They have you waiting, and you have me waiting, and I have him waiting, and he has another waiting, and like that, this is like this right?
2.	18:22:46	CC-9	Things are safe here. Haha, no kidding. This is a chain.
3.	18:31:11	CC-8	Yes, Cuas, I don't have any doubt about that. It's just that I have to answer him now. Because if I don't read his messages, as other people do, well it is not possible. I answer him as soon as he sends a message because then he thinks bad, or he can think that I lose something. It is my responsibility to keep him posted.
4.	18:31:11	CC-9	Yes, Cuas, same here.
5.	18:31:11	CC-8	He is asking me 500 to SPS, which you told me that you didn't have. He almost cried when I told him that you didn't have any.
6.	18:31:11	CC-9	I'm hauling fucking ass Cuas, I swear.
7.	18:31:11	CC-8	Because he asked me if I had 500 to over here.
8.	18:31:11	CC-9	I have all the money invested. Do you think that I want to let you down?
9.	18:31:11	CC-8	Yes, I know Cuas, if you had them you would send them to me right away.
10.	18:31:11	CC-9	With all the work that you have given to me? Never.
11.	18:31:11	CC-8	No, I know Cuas, and neither would I. We are in the same situation. He is the only one who gives me, and well, why would I want to let him down? But we are not in bad terms, Cuas. It has been a delay.
12.	18:31:11	CC-9	Right, Cuas. God willing, we'll be done with this soon.
13.	18:50:41	CC-8	Cuas, and do I tell this guy that this Sunday, Cuas? Because he's pestering that he wants a day. This way you can ask your people, if they can solve it for you for that day.
14.	19:05:25	CC-9	Those hillbillies don't work on Sunday, Cuas. I don't like giving you a day because I am not a liar.
15.	19:05:25	CC-8	But if you estimate, Cuas. Because it should happen. For you to get paper, well, me over here I am going to leave it as SPS.
16.	19:17:30	CC-8	And these people are stubborn, Cuas, asking to go and pick up 200 things.
17.	19:27:47	CC-8	From the ones from the picture that I sent.
18.	19:27:47	CC-9	What I can tell you is for you to count with whatever comes first.
19.	19:27:47	CC-8	Thank you, Cuas.
20.	19:27:47	CC-9	You know, Cuas.
21.	19:27:47	CC-8	Cuas, if I get those 200 there, send someone for them tomorrow. I'll send someone to look and see how they are.
22.	19:27:47	CC-9	But wait for us to get rid of this, Cuas. There is too much pressure.
23.	19:27:47	CC-8	Yes, Cuas, you are right.
24.	19:27:47	CC-9	This is going to get smooth.
25.	19:27:47	CC-8	God willing, Cuas.
26.	19:27:47	CC-9	Amen.
